CEO MESSAGE

At Zona Industries, our mission is to deliver precision-engineered surgical, dental, and beauty instruments that healthcare professionals can rely on with confidence.

Our foundation is built on quality craftsmanship, consistent performance, and a forward-thinking approach to manufacturing. With years of industry experience, we have cultivated strong capabilities in product development, manufacturing excellence, and international supply.

By integrating modern technology with the expertise of our skilled workforce, we continuously enhance our products to meet the dynamic requirements of the global medical sector. We believe that true success comes from teamwork and synergy.

Our research & development, production, quality assurance, and marketing departments work in close alignment to ensure innovation, efficiency, and consistency at every stage. This unified approach enables us to deliver solutions that add real value to our customers' practices.

Our operations strictly adhere to international standards and regulatory requirements, including CE compliance, ISO 9001, and ISO 13485 certifications. Rigorous quality control systems and detailed inspection procedures are embedded in our processes to ensure each product meets the highest standards of safety and reliability.

We are committed to building long-term partnerships by providing dependable products, timely deliveries, and responsive customer service. At Zona, we don't just manufacture instruments — we contribute to better healthcare outcomes worldwide.

Zona Industries
Chief Executive Officer

COMPANY PROFILE

At Zona Industries, we take pride in being a trusted manufacturer and exporter of premium-quality surgical and dental instruments, designed to meet professional standards across global markets.

With a strong presence in international trade, we supply our instruments to customers worldwide, delivering consistent quality and reliability in every shipment. Our steady growth reflects our commitment to excellence, innovation, and customer satisfaction. In a relatively short span, we have expanded our product portfolio to include a wide range of instruments, while continuously upgrading our manufacturing processes and quality systems.

Our certifications and compliance with international standards demonstrate our dedication to delivering products that meet the expectations of modern healthcare professionals. We believe that quality is not just a promise — it is the foundation of everything we do.

PRODUCT LINE

We operate as original equipment manufacturers (OEM) specializing in surgical and dental instruments, offering a comprehensive and diverse product range to meet global market demands.

Our portfolio includes thousands of instrument variations, covering everything from commonly used clinical tools to advanced instruments required for specialized surgical procedures. With a strong manufacturing base and skilled workforce, we ensure precision, durability, and consistency across all product categories.

In addition to our standard range, our capabilities extend beyond the products featured in our catalogs. We welcome customized manufacturing requests and are fully equipped to develop instruments based on customer-provided samples, technical drawings, images, or references from internationally recognized brands.

KEY STRENGTH

Zona is committed to manufacturing and delivering high quality surgical and dental instruments to customers worldwide. Over the years, we have achieved consistent growth by focusing on reliability, precision, and customer satisfaction, supported by our core strengths outlined below.

HIGH QUALITY PRODUCTS

Precision-driven manufacturing is the foundation of our operations, supported by a strong commitment to delivering instruments that meet the highest standards of accuracy and reliability. Every product undergoes strict quality control to ensure it is free from defects and ready for professional use.

We understand the importance of timely deliveries in maintaining smooth business operations. With an efficient production system and a well-organized supply chain, we ensure that all orders are processed and dispatched within the committed timelines

ON TIME DELIVERIES

EFFECTIVE CUSTOMER SERVICE

We believe that effective customer service is essential to building long-term relationships. Our team is dedicated to providing prompt responses, clear communication, and reliable support at every stage of the process. From initial inquiries to after-sales assistance, we ensure that our customers receive the attention and service they deserve.

 Fig. 17/18

Universal curettes are designed for easy adaptation on all tooth surfaces (thus the name "universal").

The blade of a universal curette has a round toe and back, and two cutting edges for scaling, making it an efficient design for scaling the entire mouth.
